OBITUARY

Relatives and friends were saddened by the sudden death of Nevin Trickey at his home, 22 Bent Street, Altona, last Friday.

Mr. Trickey, who was only 34 years of age, was born in Newport, but had lived all his life in Altona.

He was the younger son of Mr. and Mrs. Harold Trickey, of 44 David Street, Altona, where he lived until his marriage to the former Pat Charles of Mount Street, Altona.

He was educated at the Altona Primary School and the Footscray Technical School.

Mr. Trickey was a well-known sportsman and an ardent outdoor man. He was a keen shooter and while fishing last year caught a 30 lb. snapper.

When he was 16 he joined the Altona Rovers Football Club and played with them for two years, after which he played with the Altona football team until two years ago. He played on the wing and as a rover and was the winner of several trophies.

He played cricket with the A.N.A. cricket team and was a member of the 1954 premiership side.

Golf was another sport he played, being a member of Koorringal Golf Club.

Mr. Trickey had been employed by Petroleum Refineries for the past eight years.

He is survived by his wife and 12-month-old son, Paul, his parents, brother Norman, and sister Moreen—Mr. and Mrs. Norm Trickey, of 37 Bent Street, Altona, and Mr. and Mrs. John Longdon, Heywood Street, Forrest Hill.

Following a service at the funeral parlours in Williams-town, the cortege proceeded to the Western Suburbs Memorial Park where the Rev. W. Moriarty of the Church of England officiated.

On the way to the cemetery the funeral procession of 120 cars passed through a guard of honour formed by his work mates at the Refinery.

POLLING PLACES FOR SHIRE ELECTIONS

Polling places for the shire elections (if any) on August 4, 1963, will be—

Altona.—State School in Blyth Street.

Altona West.—Infant Welfare Centre at 2 Somers Pde. Seaholme.—State School No. 1, Millers Road.

Altona East.—State School in Collins Avenue.

Altona North.—Presbyterian Church Hall in Paringa Road.

Altona North (Paisley).—Technical School in Millers Road.

WOOLWORTHS ACQUIRE LAND

Woolworths (Vic.) Ltd. have advised Altona Shire Council that they have now purchased the property in The Circle, Altona East, where they propose building a modern variety and food store.

The company has requested their solicitors to make an application for re-zoning of the property for commercial purposes.

After the subject of re-zoning is settled they will be prepared to discuss with the council the matter of a public toilet block in the proposed car park area and a bus shelter.

NEW BUS SERVICES

The Transport Regulation Board has granted the Altona Bus Lines permission to commence a new bus service for the people living in the Paisley, Altona North and Brooklyn areas.

This service will commence at the corner of Millers Road and McIntosh Road, and continue along McIntosh Road, Mills Street, Kyle Road and Cyclamin Avenue to Millers Road and the usual route to Footscray.

This service is to be run in addition to the usual Altona-Footscray service and it is hoped to be able to start operations before the end of August.

The roads as yet are only rough-formed but the Altona council has informed the

T.R.B. that they are prepared to keep them graded so as to allow the bus to run and give the people transport.

This service, in conjunction with the Altona service will give the people living north of Blackshaws Road a much improved service as they will be provided with both services. A later evening bus is also to run from Altona to Footscray on week nights and a night service is to operate on Friday and Saturday for the convenience of theatre-goers, &c.

It is recommended that the public use this evening service whenever possible to ensure its continuance. Time tables will be announced at a later date.

BUS ROUTES EXTENDED IN ALTONA NORTH

The Transport Regulation Board has approved of the extension of the bus service operating from Newport to the corner of Millers Road and Blackshaws Road, Altona North.

The Newport bus will now terminate at the corner of Millers Road and Chambers Road, Altona North.

In addition approval has been given to the operators of this bus route to operate an 11 passenger bus from the corner of Millers Road and Chambers Road, to the corner of Freemans Road and Paw Paw Road, via Blackshaws Road, Rosella Avenue, Primula Avenue and Freemans Road, returning via the same route.

BANK MANAGER WELCOMED

The new manager of the Commonwealth Trading/Savings Bank, Altona, Mr. K. G. Wilson, was welcomed at a reception held at the branch on Tuesday, July 9. Mr. I. H. Johnston, the former manager and who is now manager of the bank's Croydon branch, acted as host to the 40 guests who attended the function.

MR. K. G. WILSON

Mr. S. P. Kelly, assistant manager for Victoria, introduced Mr. Wilson to the guests. Cr. A. W. Bond, shire president, on behalf of councillors and the Shire of Altona, welcomed Mr. Wilson to Altona.

Mr. Wilson has had over 20 years banking experience and prior to his present appointment occupied a senior position at the bank's Canberra branch. Although all of his banking career has been in New South Wales, and the A.C.T., Mr. Wilson is a Victorian by birth and is delighted to be returning to his home State. He is particularly impressed with the tremendous development which has taken place in Altona over recent years and is most anxious to become an active participant in the future development activities.

During the war he saw ser-

vice with the Royal Australian Navy in the South Pacific. Until his transfer to Canberra several years ago, Mr. Wilson was an active member of Naval Reserve in which field he holds the rank of Lieutenant Commander.

Mr. Wilson is a keen skier and for the past 18 months was president of the Canberra Alpine Skiing Club. His other sporting interests include golf and squash. He is married, with a daughter, 8, and a son, 4.

FITNESS COUNCIL PLAY CENTRE

The Altona Shire Council will fully co-operate with the National Fitness Council in organising a play centre in Altona in January, 1964.

As the response to last year's play centre was overwhelming the National Fitness Council has suggested to cope with the large numbers of children additional staff will need to be engaged for next year.

The total estimated cost for a centre in 1964 is in the vicinity of £500 of which the Altona Shire Council would be responsible for approximately £200.

Last year children from Altona North travelled by special bus to attend the centre in Altona.

Shortly the Altona council will conduct a survey of Altona North to see if enough support would be forthcoming for a separate centre to be held in Altona North.

NATURALISATION CEREMONY

A Naturalisation Ceremony will be held in the Life Savers Hall, Altona, on Monday, July 15, at 8 p.m.

Among the guests of the Altona Shire Council to witness the Naturalisation of the 54 candidates will be the Hon. R. T. Pollard.

Members of the Altona Branch of the C.W.A. will provide bouquets for the women candidates, and the supper will be catered for by the ladies of the Altona Life Saving Club.

AIR POLLUTION REPORT

After preliminary investigations and discussions into the causes of paint discolouration of houses in the Shire of Altona, Mr. C. J. Sharp, of Sharp and Howells, chartered chemists, presented the following report to the council—

SOURCE OF GASES

"Hydrogen sulphide is suspected to come from rotting seaweed on beaches, from stagnant water (which is abundant in Altona) and from industrial establishments (sewerage is also a common source).

"Sulphur dioxide. The bulk of the sulphur dioxide in the atmosphere arises from the burning of coal and petroleum oils. The oil refinery has undoubtedly produced comparatively large amounts of sulphur dioxide, and, even if sulphur is now recovered there, it might be expected that some of the sulphur in the crude oil still finds its way into the air as sulphur dioxide.

"The Clean Air Committee gauge at the shire hall will enable a comparison between Altona and other areas of Melbourne with respect to sulphur dioxide concentration in the air.

LOCATION OF SOURCE OF HYDROGEN SULPHIDE

"To do this with certainty would involve a rather long and costly investigation. It would require the installation of measuring devices, situated at places selected with regard to their geographic relation to the suspected sources of

contamination and correlation of the results with wind direction during the period of test. "The more complex types of sulphide tester are probably not available, even if it were decided that the cost was justified.

"Some information might be gained by simpler, more rapid tests, on a day when hydrogen sulphide was apparent in the air. By such tests in different

Shire Offices Opening Postponed

The opening date for the new shire offices and council chamber has been postponed until the first Saturday in November.

At the last council meeting Cr. den Dulk reported the council had made every endeavour to get the builders to finish construction on time, but this had not eventuated.

Therefore, he said, as it is impossible for the offices to be completed as expected by the end of July, the council has

November councillors feel the weather will be warmer and employees would have time to have the gardens well established.

Cr. A. W. Bond said he is not disappointed the offices will not be opened while he is shire president. He said to open the offices when only half finished would not be a wise decision. The offices will be the show place in the shire and to make a lasting impression on visitors to the opening the buildings and surroundings must be completely finished.

no alternative but to postpone the proposed opening date in August.

EDITORIAL

WATCH YOUR STEP—AND LIVE

It has been the policy of this paper to publish frequently items dealing with ideas of safety first on the roads. It is felt that if they were the means either directly or indirectly of avoiding but one fatal accident they have been worthwhile.

We thus commend to our readers the appeal of Cr. A. W. Bond, shire president. The duties of pedestrians in the preservation of their safety needs great emphasis.

We hope the appeal will not fall on thoughtless ears.

In this matter a pessimistic viewpoint is desirable—"It could happen to me."

The safety rules set out should be studied and memorised, but only as a means to an end. The cult of safety first must become instinctive.

However thoughtful we are, however rule-abiding there is no avoiding of absent mindedness. To this we are all prone.

If we set ourselves always to think safety and act for safety, such actions will become part of our lives—ingrained habits. They will stand us in good stead when our thoughts are astray.

Safety thinking is a personal matter. Unfortunately the adult may be who is still careless or thoughtless to these heedings.

We have been much impressed, however, by the care and thoughts now being given by some children of kindergarten age or a little older in the problem of crossing the street. This shows the effectiveness of the early training they are receiving and seems to ensure for them the instructive attitude to which we have referred.

Healthy Children

Miss Pamela Sheil, pre-school medical officer of the Department of Health, presented the following report on a medical examination of children attending the Blyth Street Kindergarten to the Altona Shire Council at the meeting on Tuesday night—

"At the Altona Kindergarten, 48 children were medically examined on June 12 and 13. One-third of the group presented had no physical defects, and general health was of good standard. Posture was good, and orthopaedic defects were almost non-existent. The children were of good average weight for height and age and appeared to be a happy well-adjusted group.

"Three-quarters of the children presented had no evidence of dental caries. Most of the remainder had received complete dental treatment. Eating sweets, or constantly drinking soft drinks or cordials, is destructive to the teeth, and it is far better to munch an apple or other piece of fruit, if something must be had in between meals. Cleaning the teeth after eating is an essential to good dental health. There were some histories of repeated attacks of tonsillitis and quite

a few children had had tonsils and adenoids removed. However, there was very little history of bronchitis. In fact, the majority of the children had no respiratory problems.

"The record of immunisations was very disappointing. A very large proportion of children (25%) had not received their booster combined injection against diphtheria and tetanus. Five had had no immunisation whatsoever against these two diseases. Four needed immediate immunisation against poliomyelitis. Most disappointing of all was the fact that only one-sixth of the children had been vaccinated against smallpox.

"Thanks are due to the director and her assistant for their help, and for the orderly organisation of the appointment."

Letters TO THE EDITOR

Sir,

On reading the editorial of Thursday, July 4, I was astonished at the proposals put forward in the article regarding ward ridings. The writer of the editorial, after extolling the numerous virtues, and the progress made by the council since the severance from Werribee, went on to say he hoped for a continuing of the efficiency, courtesy, and modern business practices of the council.

He then questions the integrity of the councillors themselves by advocating ward ridings. I must point out that it was only after a referendum of the ratepayers of Altona that the old, outdated, and restrictive practice of ward ridings, was replaced by the present efficient, and progressive system. Under the old ward riding system many anomalies existed. For example in finance. When the rates for any municipality are collected, one half of the amount is taken to pay administration costs, loan repayments and interests &c., the other half is divided between the ridings with each riding receiving approximately half the sum collected in that riding, to be spent in that riding only.

This results in "Cinderella" areas for the amount is barely enough to enable repairs to existing streets and roads to be carried out. Only one needs to look at the surrounding municipalities for evidence of ward ridings.

When Altona was a ward of Werribee it was the perfect example of a "Cinderella" area, and it was this same ward system which forced us to establish Altona as an independent Shire. Anyone who lived in the area before severance fully appreciates the advantages we have gained since abolishing wards.

Under the new system, all monies can be spent where they are needed most, on top of this ALL councillors are responsible to EVERY ratepayer in the shire and not

just those who reside in any particular ward. Therefore if a councillor does not fight for the whole shire, it is the ratepayers as a whole who replace him with someone who will.

In conclusion I believe the advocacy of a return to the ward system is a retrograde step, totally unworthy of this most (up till now) progressive newspaper.

—A. J. ROBINSON,
President,
Altona Branch, A.L.P.

We thank Mr. Robinson for his letter but would like to point out that the editorial did not in any way question the integrity of the councillors and did not advocate for ridings, but merely made a suggestion that it was perhaps time to move in the direction of ward ridings.—Editor.

OBITUARY

Mrs. Mary Rebecca Newnham, a former resident of Altona for seven years, passed away at 109 Queen Street, Altona, on Wednesday, July 3.

Mrs. Newnham was 84 years of age and was born in Sunbury, Victoria, where she spent the first 35 years of her life, later moving to Perth, W.A., for a period of seven years.

After returning to Sunbury for a further period of 15 years she moved to Altona with her late husband, Thomas Newnham.

The last 20 years were lived in Surrey Hills.

Mrs. Newnham held the distinction of being the organist at the Sunbury Methodist Church for over 30 years.

She is survived by her two sons, Ivan Newnham, of Surrey Hills, and Verdun Newnham, of Altona.

A Service of Remembrance will be held at 3 p.m. on Sunday, July 14, at the Benson Street, Methodist Church, Surrey Hills.

ALTONA DART DIVISION 1

Union Carbide moved back into second place when they "whitewashed" Cheetham Social Club.

Yacht Club Hotel caused a surprise when they downed Altona Council by six games.

Altona Darts had no trouble in disposing of A.W.M.C. (2) by seven games.

Goodrich gained four match points when A.W.M.C. (1) failed to appear.

LAST WEEK'S RESULTS
Union Carbide 9, d. Cheetham 0. Altona Darts 7, d. A.W.M.C. (2) 2. Yacht Club Hotel 6, d. Altona Council 3. Goodrich w.o. from A.W.M.C. (1). Bristol Hotel had the bye.

THIS WEEK'S GAMES
This week's games (with likely winners in black capitals) are—

YACHT CLUB HOTEL v. Goodrich. BRISTOL HOTEL v. Altona Council. A.W.M.C. (1) v. ALTONA DARTS. The A.W.M.C. (2) v. Cheetham.

Union Carbide have the bye.

As this will be the last game of the home and home games, Union Carbide, having the bye, look safely entrenched in second position. Bristol Hotel cannot be moved from first position.

DIVISION 3

Brooklyn Hostel, joining the competition with four games down, are making a valiant bid for top position, with Central Altona as its only hurdle.

Brooklyn easily disposed of the Terminus by six games. Central Altona swamped the Crown Jewels by 8 games, and Ad Astra gained a 1 game victory over Bristol Hotel.

LAST WEEK'S RESULTS
Brooklyn Hostel 6, d. Terminus Hotel 3. Ad Astra 5, d. Bristol Hotel 4. Central Altona 8, d. Crown Jewels 1.

THIS WEEK'S GAMES
This week's games (with the likely winners in black capitals) are—

LEAGUE NOTES

AD ASTRA v. Terminus H. CROWN JEWELS v. Bristol. Brooklyn Hostel v. CENTRAL ALTONA.

"ALTONA STAR" KNOCK-OUT CONTEST
The second round of this contest is to be completed by July 31. Likely winners are in black capitals—

Ad Astra v. ALBRIGHT & WILSON. W'town Hostel v. CENTRAL ALTONA. Altona Darts v. UNION CARBIDE. Brooklyn Hostel v. YACHT CLUB HOTEL.

CHALLENGE COMPETITION
A. Stirk of the Bristol Hotel Club was selected as captain of the combined league team.

The contest between Altona League and the Mountain District League will now take place on Tuesday, July 23, at St. Mary's Hall, Altona.

Members of the team are requested to be in attendance at Marion's Hall this Thursday night, and Thursday, July 18, so that the captain can get to know the team and their playing ability.

FINAL SERIES
With each Division entering the early stages of their respective finals, following is the program to cover these—

Thursday, July 11.—Division 2. 1st and 2nd semi-finals at Marions Hall, Queen Street, Seaholme.

Thursday, July 18.—Division 2. Preliminary final. Division 1. 1st semi-final at Marions Hall.

Thursday, July 25.—Division 2: Grand final. Division 1: 2nd semi-final. At Marions Hall.

Friday, August 2.—Division 1: Preliminary final. Division 3: 1st and 2nd semi-final. At St. Mary's Hall, Sargood St., Altona.

Friday, August 9.—Division 1: Grand final. Division 3: Preliminary final. At St. Mary's Hall.

Friday, August 16.—Division 3: Grand final. Knock-out Competition final at St. Mary's Hall.

Church Notices

THOUGHT FOR THE WEEK

Let the children come to Me; do not try to stop them; for the Kingdom of God belongs to such as these. I tell you, whoever does not accept the Kingdom of God like a child will never enter it. (Mark 10:14)

ALTONA WEST PRIMARY SCHOOL NEWS

The Mothers' Club of the Altona West Primary School has offered to provide a complete set of 20 sports tunics for girls and 20 sets of football guernseys and socks for boys so that the school will be suitably dressed when they participate in inter-school sport.

The children at the school appreciate this gesture and have resolved to raise part of the money themselves.

Recently it was reported in these columns that the girls of Grade 6 raised £4/2/6.

Last Friday four girls from Grade 4, Lyndsey Smith, Elizabeth Allman, Karyn Snee and Janet Wigglesworth, held a very successful stall and raised a further £2/4/7. On the next day David Wilson, Brian Jobling and Hazel Green, all of Grade 2, raised another 3/6d.

The school wishes to thank these girls and boys who have so far raised £6/10/7.

The boys in Grade 6 are busily painting the new goal posts that arrived recently and it is expected that these will be erected shortly.

Would all mothers please make a note that the next meeting of the Mothers' Club will take place at the school on Thursday of next week, July 11, at 7.30 p.m.

Best wishes are extended to the secretary, Mrs. R. Rivett, who will be confined to her bed for some weeks.

ALTONA SCOUT NEWS

TESTS PASSED

2nd Class Hike.—Bruce Grant, Peter Euntion, Garry England and Wilson Heriot. Tracking.—Bruce Grant, Peter Euntion, Garry England, Wilson Heriot and Thomas Euntion.

INVESTITURE OF 3rd ALTONA TROUP

The boys and some parents paid a visit to 3rd Altona to see the District Commissioner, Mr. Schutt, invest cubs and scouts from that group.

This Group is being fostered by Mr. Fawcner, who will always be remembered for the excellent job he did whilst Cub Master with 1st Altona.

To all at 3rd Altona, we wish the best of luck and good scouting.

Thanks go to the parents who assisted with transport.

SCOUT AND CUB INVESTITURE OF 3rd ALTONA TROUP

Despite the cold weather about 80 people and 100 scouts and cubs representing the 1st and 2nd Altona, 7th and 10th Footscray and 15th Sunshine Scout Troops, were present at an investiture ceremony at the Altona North Youth Hall, Langshaws Reserve, on July 2.

A Cassar, P. Welogs, P. Halls, Geoff Keyes and George Keyes were invested as scouts.

Cubs invested were Michael Hammond, Donald Mills, Noel Shepherd, Ian Faulkner, Neil Langford, Stephen Chapman, Frederick Carrol, Neville Eade, Tony Boardman, Peter Boardman, Roderick MacArthur and Noel Jones.

In a short address District Commissioner, Mr. R. Schutt, asked for public support for this new group.

ENGAGEMENT

Mr. and Mrs. Bill Piper, of 8 Romawi Street, Altona, have much pleasure in announcing the engagement of their second daughter, Bridget, to Colin, only son of Mr. and Mrs. J. Robertson, 15 Hancock Street, Altona.

To celebrate the engagement relatives and friends gathered at the Altona Youth Hall for a party last Saturday night. Bridget is wearing a sapphire and diamond engagement ring.

MEETING

The Altona Historical Society will be meeting at 8 p.m. on Wednesday, July 17, at the home of Mr. H. Weaver, corner Queen Street, and Millers Road, Seaholme.

REMINDERS

Altona High School Parents' and Citizens' Meeting at the School, 8 p.m., next Friday, July 12. All parents are invited to attend and hear a talk on requirements for different careers.

ELDERLY CITIZENS' CLUB NEWS

The annual general meeting and election of office-bearers and members of the social club committee will be held on Wednesday, July 17, at 2 p.m.

The club is deeply appreciative of the help given by Form V. pupils of the Altona High School in classifying and compiling a complete catalogue of the library books.

CARD AFTERNOON

A card afternoon will be held at the home of Mrs. Keeshan, 69 David Street, Altona, at 1 p.m. on Thursday, July 18.

All are invited to help make the afternoon a financial success for the Altona Guides and Brownies.

CHRISTENING PARTY

To celebrate the Christening of their second son, Paul, Mr. and Mrs. Ron Courtot, Queen Street, Altona, entertained relatives and friends at their home last Sunday.

The Christening ceremony was conducted by the Rev. W. Moriarty at St. Eanswythe's Church of England, Altona.

PRESENTATION NIGHT

The final game of the Western Region Men's Basketball Championship will be played between South Kingsville and East Sunshine next Friday night.

The following Friday night, July 19, a presentation night will be held in the Altona Youth Hall, Civic Parade, Altona, at 8 p.m.

During the evening four teams of girls will contest a lightning round of international basketball. The teams will be from Altona, St. Kilda, South Kingsville and the Imperial team.

Following the presentation of pennants and trophies there will be dancing and supper.

EDITOR'S DILEMMA

If he prints jokes, people say he is silly.
If he doesn't, they say he's too serious.
If he clips things from other papers, he is too lazy to write.
If he prints original matter, they say he is proud of his own stuff.
If he stays in the office, he ought to be out getting the news.
If he's out getting news, he should be attending to business at the office.
If he does not print contributions, he does not show appreciation for genius.
If he does print them, the paper is filled with junk.
Likely as not some fellow will say he took this from another paper.
HE DID!

GARAGE BUILT FOR NEW VICARAGE

During last weekend a working bee was held to build a garage for the vicarage at St. Eanswythe's.

A number of men worked hard under the guidance of Mr. F. Johns, and the job was all-but completed.

The next big effort will be to paint the Church.

ALTONA EAST VISITS MAIDSTONE

Last Friday a band of pupils and teachers from the Altona East Primary School paid a social and sporting visit to Maidstone Primary School.

The head master of Maidstone, Mr. W. V. Lewis, welcomed the Altona East head master, Mr. C. G. Duffy, teachers and pupils.

DRUM BAND

The Altona East Drum Band, which is now 30 strong, put on a display of drumming, demonstrating 10 different routines, while the Maidstone children held house marching.

FOOTBALL

1st XVIII.—In a very good game, Maidstone were the better team all day, and ran out winners 3.8.26 to Altona East's 0.1.1. Maidstone coach Mr. W. Newland, has instilled into his boys the play-on game, using plenty of intelligent handball, and this they did right throughout the game. The Altona East boys, who were perhaps the bigger side, marked and kicked well, but could not match the overall evenness of the Maidstone team.

The game was very well handled by an umpire popular to both sides—Maidstone teacher Mr. Les Davis, who was at Altona East last year. Cheers from both sides were proof that he had done a good job.

Best players for Altona East were—

Vlada Jovanovic (rover), very nippy and clever around the packs; John Matthews (half-back flank), defended well, clearing the ball many times; Tony de Michele (ruck), strong in the air, taking numerous marks; Derek Hendry (ruck), Joe Cassar (back pocket) and Tommy Heller (wing).

2nd XVIII.—Maidstone also won this game well, playing strongly, and with good teamwork, the scores being Maidstone 6.8.44 to Altona East's 0.0.0. Best players: Eddie Chelmicki and Alex Straubinger.

BASKETBALL

1sts.—Maidstone 34, defeated Altona East 10, the two goalers Stephanie Wujow and Sharon McMinn being the best players once again.

2nds.—Maidstone won a close game 16 goals to 13. Vicki Anderson and Dianne Heazlewood were the two best.

ALTONA WEST PRIMARY SCHOOL

A sale of all kinds of goods secondhand timber, roofing iron, doors, window frames complete with glass will be held at the school from 10 a.m. to 12 noon on Saturday and Sunday next, July 13 and 14.

FOUND

Two child's tricycles are awaiting owners at the Kingsville police station. Both tricycles were found near a milk bar in The Circle, Altona East.

CHRISTENING PARTY

Last Sunday Mr. and Mrs. Jack Howard of Queen Street, Altona, entertained 40 guests at a Christening Party.

Earlier in the afternoon afternoon their second daughter, Lee-Anne, dressed in an embroidered nylon frock, had been Christened by the Rev. W. Moriarty at St. Eanswythe's Church of England.

The Christening Cake was made by Mrs. Howard and decorated with rosebuds by her sister-in-law, Mrs. Walker.

During the party a bottle of champagne, purchased by Mr. Howard's father in 1935, was opened.

Among the guests were the baby's great-aunt, Mrs. Jorgensen, of Northcote, and Mr. and Mrs. Jack Pollard and family from Aspendale.

ALTONA HIGH SCHOOL

At last students of the Altona High School have started to move into the new wing.

It is expected that all new furniture will have arrived late this week or early next week when the new wing will be fully occupied.

This week the girls played sport at Braybrook High and the boys played football against Braybrook High at Altona to decide the winners of the football pennant.

EXTRACT FROM ALTONA PRIMARY SCHOOL NEWSLETTER

SCHOOL COMMITTEE, 1963

A new departure in School Committee organization was made this year with the formation of the Western Suburbs Schools Association composed throughout the area.

It was gratifying to Altona when Mr. Norm. Scott, secretary of the Altona School Committee, was elected to the Western Suburbs Executive as Junior Vice-President. Congratulations and best wishes to him.

The School Committee wishes to thank parents for their support of the direct-giving scheme and also for their voluntary work. With the assistance of the Government subsidy, local money is providing for both the physical and educational advancement of the children. Sporting equipment has been purchased

and more is on order to make a success of the new approach to physical education as described elsewhere in this "Newsletter." More additions to both the library and Reading Clinic have been made with further purchases planned for the new financial year.

We were sorry to lose Mr. Sandilands from the secretaryship of the Committee although he is able to stay on as a member. After three years in this position, increasing outside commitments caused his resignation. He was, however, present to act as chairman of the June meeting in the absence of Mr. Bertram.

Members of the Committee for 1963 are—

Mesdames Carruthers, Reid, Orchard, Tydens and Walker; Messrs. Bertram, Deegan, Scott, Franks, Sarros, McDonald and Sandilands.

JUNIORS WIN COMFORTABLY

Werribee were far too good for Bacchus Marsh in the Under 18 curtain-raiser at Chirnside Park on Saturday. Werribee had a brilliant attack and a last quarter burst of eight goals speaks for itself.

Werribee v. B. Marsh					
1st Quarter	4	1	25	1	2
2nd Quarter	6	3	39	1	3
3rd Quarter	7	4	46	4	5
FINAL	15	6	96	4	5

THE TEAMS
WERRIBEE
 B.—J. Piovesan, G. Sheahan, R. Reidy.
 H.B.—C. Peatling, M. Sheahan, A. Bartolo.
 C.—B. Allison, A. Stewart, A. Zammitt.
 H.F.—J. Cameron, G. Munro, R. Kite.
 F.—S. Rieger, G. Crawford, J. Pine.
RUCKS—K. Lynch, M. Phelan
ROVER—G. Ewen.
 (19)—A. Parker. (20)—R. Johnstone.
BACCHUS MARSH
 B.—P. Kawlenson, B. Hoey, B. Mullane.
 H.B.—P. Griffiths, M. Kelcher, M. Cooper.
 C.—T. Tyquin, G. Arnold, R. Dickson.
 H.F.—M. Overs, M. Wright, K. Closter.
 F.—L. Dalglish, J. Ham, I. Darcy.
RUCKS—R. Reddrop, K. Rogers.
ROVER—M. Greenwood.

Very little can be said about the first half as Werribee were much too strong and faster than their opponents and showed more common sense in the forward zone.
 Good players for the home side were Andy Stewart in the

centre and rovers Geoff Ewen and John Pyne. Bacchus Marsh's best player would have been half-forward flanker Overs.

In the third quarter the tide changed a little with the visitors showing more determination when going for the ball and hitting a lot harder in the packs.

The stars for Bacchus Marsh was Reddrop, who was playing brilliantly in the ruck and kicked two beautiful goals from good marks. John Piovesan was defending well for Werribee and Andy Stewart still had control of the centre.

The last quarter was all Werribee with "Darby" Munro dominating at centre-half forward. Kevin Lynch and Steve Rieger were rucking well but it was hard to find a weak link in the brilliant Werribee chain.

On the whole, the home side was far too talented for their opponents and ran out decisive winners.

Best: Werribee: Munro, J. Pyne, Ewen, Piovesan, Stewart and M. Sheahan. Bacchus Marsh: Greenwood, Reddrop, Darcy, Dickson and Arnold.

Goals: Werribee: Munro 7, Pyne 3, Kite, Ewen 1, Rieger 1, Cameron 1. Bacchus Marsh: Reddrop 2, Ham 1, Overs 1.

NEWPORT TO DOWN SOUTH?

In the main game in the Werribee Football League on Saturday, top teams, Newport and Werribee South clash at Newport in what should be a thrilling encounter.

The highlight of the game should be the duel in the pivot between Newport's versatile Tom Jenkins and South's spectacular Len Allison.

Jenkins solved a roving problem against Rovers but appears the only man in his side capable of out-doing Allison. The outcome of this duel should have a big bearing on the final result of the game.

Jack Evans and his co-Newport ruckmen were eclipsed to a certain extent against Altona and if they do not play at their best, they could easily find themselves in a similar position against Bert Oldfield and company.

However, with conditions certain to be heavy, Newport's all round strength should swing the game for them, especially on their own ground, which troubles most sides.

LAVERTON have shown a great enthusiasm over the past two weeks and should go into the game against ALTONA on Saturday with more confidence than they have done on previous occasions.

However, the loss of Bill Devereaux should sap some of this confidence. The home side possess a good ruck quartet led by Derek York and Geoff Newman, and although John Hall is in great form for Laverton, the Altona combination should be able to give their side winning drive.

Altona's greatest asset is surely their attack and this, together with the ruck advantage, should give them a comfortable victory.

WERRIBEE DOWN BY 2 GOALS

In a torrid, but thrilling encounter, under appalling conditions at Chirnside Park, Werribee, last Saturday, Bacchus Marsh, showing better teamwork, outclassed Werribee in the last quarter to run out winners by two goals.

Werribee v. B. Marsh					
1st Quarter	4	3	27	1	1
2nd Quarter	6	4	40	5	3
3rd Quarter	7	6	48	6	5
FINAL	9	7	61	11	7

THE TEAMS
WERRIBEE
 B.—N. West, I. Harris, A. Brotto.
 H.B.—R. Dove, M. Piovesan, K. Murrell.
 C.—K. Ackerly, L. Allison, R. Combes.
 H.F.—B. Muschialli, K. Munyard, H. Riley.
 F.—R. Dingey, J. Townsing, J. Bryan.
RUCKS—J. Evans (c), D. York.
ROVER—J. Martin.
 (19)—S. Pante, (20)—E. Pengelly.

BACCHUS MARSH
 B.—M. Whelan, C. Orr, K. Sweet.
 H.B.—J. Edwards, P. Casterkum, R. Pertzell.
 C.—B. Mullane, W. Kaigg, R. Pront.
 H.F.—A. Burrows, R. Stockman (c), E. Stone.
 F.—R. Carr, B. Simpson, N. Wilkie.
RUCKS—P. Purvis, I. Filipovic.
ROVER—K. Magill.
 (19)—R. Partledon, (20)—B. Allen.

The first term opened up with Werribee immediately taking the initiative.

A goal to Ron Dingey and another soon after from Jack Bryan put Werribee in a good position. Kaigg was playing well in the centre for Marsh and was combining with the team-mates around him, who were showing great teamwork and confidence.

However, they found it a tough proposition trying to penetrate the strong Werribee defence. Classy teamwork resulted in Marsh's first goal and this appeared to be their style of game. Johnny Martin goaled and Ron Dingey registered his second for the quarter.

Purvis was rucking well for Marsh but his hard work was apparently unrewarded as at the end of the first quarter Werribee held a handy lead by 20 points.

SCORES: Werribee 4.3.27, Bacchus Marsh 1.1.7

The second quarter saw both sides throwing themselves into a hard, scrappy game, highlighted by the spasms of pace, overhead marking and drop kicking.

Early in the quarter, Marsh set about reversing the deficit and their fight back was commenced after Carr flew high above the pack to mark and goal. But Werribee looked a good side, with the spectacular Len Allison controlling the centre. Foolish aggression paved the way for the Marsh to goal and minutes later another followed. This put them on terms with the host team. But the local spearhead, Jim Townsing, added a goal just before the interval to place Werribee seven points up.

SCORES: Werribee 6.4.40, Bacchus Marsh 5.3.33.

Bacchus Marsh were soon into stride after the interval and with Magill in everything, the visitors gave the impression they were a good team.

However, Werribee's Martin, roving brilliantly, kicked truly and the locals still led.

The game then relaxed back into scrambles and a battle of defences, with both sides finding it hard to score. Despite

the adverse conditions, Marsh showed their teamwork with a series of passes up the ground, only to be turned out by the stubborn Werribee defence headed by Ian Harris and Mario Piovesan. It was a scrappy term with players from both sides flashing into the play.

SCORES: Werribee 7.6.48, Bacchus Marsh 6.5.41.

The torrid final term commenced with Werribee seven points up and they soon looked able to consolidate their position, through their constant attacks generated by their rucks.

This line had been revitalised by the presence of Sam Pante. Good football from the visitors was fruitless as Werribee turned them out and through the elusive Martin, Werribee added another goal. Bacchus Marsh then rattled on a series of three goals to lead by six points.

However, Ken Munyard levelled the scores and the game was in the balance.

Repeated ball-ups saw Sam Pante thrusting Werribee forward, but they were now finding it difficult to pass the impenetrable Marsh defence.

Marsh then added two more goals and ran out good winners.

The game was played in a fast manner all day and the spectators certainly got their money's worth.

FINAL SCORES: Werribee 9.7.61, were defeated by Bacchus Marsh 11.7.73.

Best: Werribee: Martin, I. Harris, Piovesan, Ackerly, K. Munyard, Brotto. Bacchus Marsh: Magill, Purvis, Kaigg, Carr, Stockman.

Goals: Werribee: Martin 3, Dingey 2, Townsing 2, Bryan 1, Muschialli 1. Bacchus Marsh: Carr 3, Magill 3, Simpson 1, Wilkie 1, Stockman 1, Filipovic 1, Kaigg 1.

FOOTBALLER INJURED

Whilst playing football for Laverton on June 29, Bill Devereaux fractured two bones in his finger and injured the tendons of his hand.

He was admitted to the Footscray and District Hospital on the Saturday, and doctors operated on his hand on Sunday morning.

His hand will be in plaster for at least four weeks which means he will be unable to resume his normal employment before the end of July at the earliest.

CENTRAL ALTONA FOOTBALL CLUB

The Centrals Under 15 football team are to play Geelong West Under 15 team at Baker Oval at 10 a.m. on Saturday July 13, and have been invited to be the guests of Geelong Football Club to see the Collingwood game. Many thanks to coach Ted Wallis.

The Under 15 team will also play I.N.F. Under 15 team at Langshaw Reserve the following day. There are 40 boys training with the Under 15 team so all will get a game in the two days.

PARKS PLANS PROCEEDING

The Apex Club of Altona has undertaken a major community service in the development of an area of land in Altona as a public reserve.

The reserve is on the land between Queen Street and the beach, just east of the Explosives Reserve.

Preliminary estimates show that 10,000 cubic yards of filling will be required to level the area.

The club has sent a letter to all industries in the shire asking for their assistance in filling the land.

The club does not intend the firms to make any special effort or to provide, or pay for this filling, but asks that any clean filling being disposed of could be directed to the park project.

SPEEDING FINE

Stanford Edward Malberg of Challis Street, West Newport, was fined £10 for doing 55-60 m.p.h. in a 35 m.p.h. zone on Champion Road, Williams town, on May 19.

SHIRE PRESIDENT STARTS BIG MID-WINTER PEDESTRIAN SAFETY CAMPAIGN

The shire president of Altona, Cr. A. W. Bond, today launched a campaign to eliminate mid-winter pedestrian accidents in Altona Shire.

Altona is joining all other municipalities in Victoria, in a vigorous mid-winter pedestrian safety drive. Its aim is to reduce the toll of pedestrian fatalities and injuries, which invariably reach a peak during the mid-winter period.

Cr. Bond today appealed to all residents to observe the pedestrian safety message, "Watch your step and Live!"

"This is the most dangerous time of the year for pedestrians," he said. "Bad weather, poor light and short days make it more difficult for motorists to see pedestrians crossing streets or walking along road ways. Pedestrians should remember this at all times, and observe these life-saving rules—

- ★ Always look right, left, and right again before crossing the road.
- ★ Keep a sharp look-out while you're crossing.
- ★ Where there are no footpaths, always walk facing the oncoming traffic.
- ★ At night, always wear or carry something white.
- ★ Be extra careful where there is no pedestrian crossing.
- ★ Obey traffic lights—they're there for your protection, too.
- ★ Don't take that chance—better to be late, than "the late."

Cr. Bond said 727 pedestrians were killed on Australian roads during 1962. In Victoria last year 246 people were killed. Unless special care was taken by pedestrians—and by motorists—the death toll this year could exceed those shocking figures.

He added, "In addition to those killed last year, 8239

pedestrians were injured in Australia (Victoria 2465). Some of those unfortunates were crippled for life, and others will never recover fully from their injuries.

The pedestrian always comes off second best when he or she is hit by a car.

"Elderly people—those aged 60 and over—comprise almost half the total number of pedestrian fatalities and injuries. Older residents of Altona should remember this—and they, like all others, should take special care during this very dangerous time."

The council is co-operating with the National Safety Council of Australia, the Victoria Police Force and other local government organisations in the drive, which will extend from July 15 to July 27.

Laverton Girl Weds

RADBURN—GILES.

The marriage of Valerie Ann Radburn and Terry Robert Giles was celebrated at the R.A.A.F. Chapel, Laverton, last Saturday.

The bride is the second daughter of Mr. and Mrs. Stan Radburn, of 18 Grace Street, Laverton. The bridegroom who is a member of the R.A.A.F. stationed at Laverton, is the son of Mr. and Mrs. Giles, of Narracoorte South Australia.

A frock of white lace was worn by the bride who was attended by her elder sister, Mrs. Skinner, as matron-of-honour. Two younger sisters of the bride were flowergirls. The bridegroom was supported by two of his R.A.A.F. friends.

After the ceremony Mr. and Mrs. Radburn entertained 25 relatives and friends at a buffet wedding breakfast at their home. Among the guests were the bridegroom's parents and his sister and her husband who came from South Australia to attend the wedding.

LAVERTON GIRL GUIDES

The 2nd Laverton Brownie Pack will be meeting in the new Guide Hall, Railway Ave., as from Thursday, July 11, from 4.15 p.m. to 5.45 p.m.

Would parents please see that the Brownies use the correct crossing by the railway station, and the Guides will ensure that Brownies also do this on leaving the Hall, after each meeting.

Local Association members would like to thank Mrs. Mullett for her hard work in connection with 3KZ's "Community Club Awards." The association received £8 from the last effort, and ask everyone to continue to save all their labels.

LAVERTON PROGRESS ASSOCIATION NOT PROGRESSING

Insufficient membership and lack of finance are problems causing concern to the executive of the Laverton Progress Association.

Established in 1922 the association has played a vital part in the development of the district. It has always been recognised by the Werribee Shire Council as a strong advocate of the needs of Laverton.

Ideally all residents with advantage could be members of such a body. In practice however, those interested seem to be in the minority. Over the years members have dropped out for various reasons and it is hard to renew their interest. In the newer areas householders are apparently too busy establishing themselves in their homes to widen their interests. Again in connection with the Air Force there is a large section in more or less temporary residence—who for that reason do not sufficiently identify themselves with the district.

The treasurer's report indicates the financial position needs improvement. Receipts over the last 12 months have dropped. Hall hirings have fallen away. This is largely because no piano is now available. The previous piano was wrecked by vandals. Funds are partly in hand for its replacement. A difference of opinion exists as to the wisdom of endeavouring to acquire a piano now and thus increase hall revenue but with possible further danger to this piano also. Alternatively the new hall is in the offering—it might be safer to wait.

Problems such as these will be better solved by a larger and more interested membership. Laverton is on the eve of development. Progress will be improved by the existence of an association which gives more than lip service to its name.

WERRIBEE YOUNG FARMERS

Following the last meeting of the Werribee Young Farmers Club a "Meet the Press" talk was given by Mr. B. Morgan, editor of the Young Farmers State newspaper.

On Friday, June 28, several Werribee club members, together with various other clubs, attended the Bank of New South Wales in Melbourne to hear the address by Bruce Lloyd on his trip to the U.S.A. All who attended enjoyed themselves very much.

Friday, July 5, several members of the Werribee Young Farmers attended the area camp which proved to be very enjoyable and educational to all those who attended.

This Friday, July 12, Geelong Club will be holding a Ball at Bannockburn, all who are interested are asked to meet at Squire's at 8 p.m. sharp.

On July 16 the next meeting of the Young Farmers will be held, after which a game of squatter will be played.

This weekend Werribee club has organised the first Corio District Council Administration School and members are to billet visitors for Saturday night.

The aim of the school is to help office bearers with the duties of their prospective positions. Central Area Supervisor, Mr. B. Glover, and the Western Area Supervisor, Mr. L. Barnes, will lecture.

LAVERTON FIRE SERVICE

—IS IT GOOD ENOUGH?

Werribee Shire Council says that Laverton is well served by a fire protection service. Laverton Progress Association is still unsatisfied.

Obviously in any community it is impossible to guarantee full immunity from the danger of fire. It is also obvious that any community has the right to ask for the utmost reasonable protection from this menace.

Werribee Council pays £500 annually to the Metropolitan Fire Brigade for fire protection in Laverton. Their jurisdiction however does not fully extend over the district. The area south and east of the Highway is not in the M.F.B. area.

Cr. Comben has reported some progress. Three months ago the positions of all hydrants in Laverton were marked. Each year the M.F.B. has extended their protection a little further.

The Laverton Progress Association has repeatedly asked the M.F.B. to extend their position area. In all cases they have been referred back to the Werribee Council. They have now re-iterated their appeal to the council seeking their co-operation in having all of Laverton placed under the control of the M.F.B.

Fortunately the assistance of the Werribee Volunteer Fire Brigade and the R.A.A.F. Fire Fighting Unit have been invaluable to Laverton. At recent fires they have been on the scene prior to the arrival of the M.F.B. The community however thankful for this aid should not have to rely on other than recognised fire services.

POLICE STATION IN 12 MONTHS?

Laverton residents should see the erection of a Police Station within 12 months, said Cr. B. Comben at a meeting of the Laverton Progress Association.

The Chief Secretary's Office notified the association that the erection of the police station is being inquired into and the association will be further advised as soon as possible.

But recently a deputation of Werribee councillors and officers, including Crs. Comben and Davis, were received as a deputation by the Chief Secretary.

Cr. Comben said they received a very good report on the proposed erection of the police station. The Chief Secretary himself thought the police station was most necessary and the plans for the station are out. One aspect in which the people could help get the station more quickly is by reporting any occurrence which warrants police attention. Apparently quite a number of people have not reported offences and this gives a false impression of good behaviour.

RIDING SCHOOL GONE?

As requested the health inspector (Mr. R. K. Andrew) visited Laverton the other Saturday to inspect the riding school.

But he was unable to carry out an inspection as for the past two weeks the horses and their owners have not appeared.

Mr. Andrew will make a further visit to the area but firstly will contact Cr. Gibson to ascertain if the school is operating.

BRAYBROOK HORSE AND PONY CLUB

The fine weather on Sunday last attracted a large number of both riders and spectators to the club Gymkhana at the Truganina Sports Ground.

A wide variety of events and a well-run program helped to make the day a success. Riders of all ages competed and everyone agreed that the parents of all competitors were just as thrilled as the successful riders themselves.

The judge, Mr. Baird, commented on the standard of the riders and marked improvement over the past 12 months.

Heavy conditions had jumping riders alert at all times and flag and barrel, and bending races provided the usual spectator appeal and the many cheer squads were heard at their best during the running of these events.

A card evening will be held at 8 p.m. on Friday, July 19 at the home of Mrs. Haig, 42 Elm Street, Laverton.

A cake stall is to be conducted at the Scout Hall in Railway Avenue, Laverton, on Tuesday, July 30. Donations for the stall may be left with Mrs. Howells, 12 Elm Street, or Mrs. Alexander, 159 Railway Avenue, Laverton.

WERRIBEE GOLF CLUB

On Tuesday, July 2, associates of the Werribee Golf Club held an Open Day. The president, Mrs. J. Davis, welcomed visitors from Koorringal and Sunbury.

Winners were—
Best Gross, 18 Holes: Mrs. M. Diver (Koorringal).
Best Net, 18 Holes: Mrs. Shanahan (Werribee).
Putting, 18 Holes: Mrs. Danaher (Werribee).
Nearest Pin: Mrs. S. Daniels (Werribee).

SPORT

WEST NEWPORT DEFEAT TOP TEAM IN BASEBALL

West Newport staged a terrific reversal of form and beat top team Northcote 7-4 to cement their place in the four and give them a good show of moving into second place for the finals this year.

The side has proved themselves to be the best wet weather side in the competition, and with the return of four injured players shortly, will be an extremely hard side to beat.

A TEAM

The A Team started off by batting a run across the plate in the first innings, but an infield error allowed Northcote to equalise.

Good batting in the third and fourth innings allowed West Newport to score three more runs and take a 4-1 lead.

Three more runs in the sixth and seventh innings made the game safe for West Newport and gave Northcote their second loss this year.

Kevin Michael pitched well to Jimmy Michael, and between them they blanketed the strong batting of the Northcote side. John Reale played well at left field and took two flys and assisted in two other put-outs. Ron McDonald sen., playing his first game with the club, starred at second base.

INNINGS SCORES

West Npt. 10,210,210.—7.
 Northcote. 10,001,020.—4.

Safe Hits: K. Michael 3, J. Reale 2, R. McDonald snr. 2, J. Michael 2, C. Apostilides 1, J. Armstrong 1, R. Scott 1, A. Solomano 1.

Best Players: K. Michael, R. McDonald snr., and J. Reale.

B TEAM

The B Team played at home and were defeated by Newport Baptists 14-2.

Playing under very wet and muddy conditions, the B Team played their poorest game of Baseball this season.

The team, with a patched up senior and junior side due to many injuries which have forced players out of the game, did not settle down.

West Newport began well in the first innings with Don Mackay pitching to Alec Parker, and scored one run to even the score in the second innings. But from the next frame, and for the rest of the game, errors cost the team the game.

Safe Hit: N. Toscas 1.

JUNIORS

The Juniors played away to Brunswick and won 7-2. The ground was very wet and soggy and the Juniors, who have been improving with every game recently, played very well with very few errors.

Terry Forrester again threw well to Don Henderson and were backed up by good fielding and teamwork.

In the batting the Juniors also improved with good hits. Safe Hits: R. White 1, T. Pepper 1, W. Balcum 1, R. Delaney 1.

Best Players: T. Forrester, R. White and T. Pepper.

TEAMS FOR SATURDAY

A Team.—K. Michael, J. Michael, A. Solomano, R. McDonald sen., J. Armstrong, R. McDonald jun., J. Reale, P. Campbell, A. White and D. Bearman.

B Team.—R. Scott, D. Henderson, A. Parker, N. Toscas, D. Mackay, A. Boxshall, K. Barr, D. Swallow, C. Apostilides, T. Forrester and D. O'Connor.

THIS WEEK'S GAMES

The A Team will play Cathedral Y.C.W. at 1.30 p.m. at Royal Park South.

The B Team will play Newport at Loft Reserve, West Newport, at 12.30 p.m.

The Juniors will play Williamstown at Williamstown at 9.30 a.m.

LIFESAVING CLUB NEWS

TRAINING

Sunday, 1.30 to 2.30 p.m.: Junior and senior members for resuscitation and physical education training.

There will be no training on Monday, July 15.

ALTONA HOCKEY CLUB NEWS

A Grade.—Altona got away to a good start with a well-deserved goal from R. Smith at centre-forward.

Footscray quickly had an equaliser on the board and at half-time scores were level.

Both teams battled hard after the change to score and take the lead. However, Footscray finally broke through and went on to a very easy victory in the last half.

Best: T. Smith, A. Baillie.

B GRADE.—In muddy conditions at Essendon the game was slow with Altona scoring 1 goal late in the first half.

Many chances were wasted through over-confidence and this limited the scoring.

After the interval Altona settled down and handled the going better and collected four more goals to win the game 5-0.

Best: F. Roadley, R. Turner.

Goals: F. Roadley 2, L. Smith 1, W. Davis 1, and A. Docker 1.

C GRADE.—After a bad start against a much improved Essendon Grammar side, Altona led 2-1 at half-time.

Settling down in the second term with nice goals from the forwards, the locals ran out easy winners.

Final Scores: Altona 5, defeated E.G.S.O.B. 1.

Best: E. Kipp and S. Ashman.

Goals: S. Hyde 3, D. Orchard 1, J. Reilly 1.

UNDER AGE HOCKEY

UNDER 13.—These boys are improving with every game and will be a team to be reckoned with next season.

In a game played under very poor conditions the Footscray side handled the going better than Altona and went on to win a hard fought match 2-0.

Best: R. Lukoszech, and K. Gathercole.

ALTONA TENNIS CLUB NEWS

Finals of the Altona Tennis Club Championships will be played this Sunday, July 14.

1 p.m.: Linda Findlay v. Thelma Smith.

2.30 p.m.: Ron Graham v. Len Findlay.

Visitors will be most welcome to attend. At the conclusion of play presentation of trophies will be made and afternoon tea served.

JUNIOR TEAMS FOR SUNDAY

Following are the junior teams for Sunday, July 14. Both teams play away at Liston—

No. 1 Team: G. Blunt, K. Plett, V. Grdovitch, S. Rose, M. Mochon and E. Blunt. Emergencies: G. Findlay and S. Murphy.

No. 2 Team: G. Findlay, S. Murphy, K. Walsh, J. Huggins, W. Kelly and B. Gunn. Emergencies: B. Rafferty and A. Rafferty.

KOORINGAL GOLF

Saturday's Stroke results are as follows—

A GRADE: R. Coleman (9), Net 72.

B GRADE: J. Crosthwaite (16), Net 63.

C GRADE: K. Taylor (21), Net 70.

The Monthly Medal was won by J. Crosthwaite (16), Net 63.

A special trophy for 25 and over handicappers was won by A. Ferguson (25), with a Net 72.

Sunday's Bogey competition resulted in R. Caithness (1), 4 up, winning from W. Jacobsen (6), 3 up, and G. Welsh (5), square.

The Associates trophy was won by Mrs. McDiven, Net 71.

Next Saturday is the first round of the junior competition.

Don't forget the mixed four-somes next Sunday.

ASSOCIATES

Golf was played under ideal conditions and the Associates thoroughly enjoyed their day. Results for the day are as follows—

MEDAL BOGEY

A GRADE: Mrs. M. Walker (18), to play-off with Mrs. O. Meiller (15), 2 down.

B GRADE: Mrs. M. McAuliffe (25), to play-off with Mrs. M. Dellar (34), on a count-back from Mrs. W. Sandilands (36), 3 down.

ALTONA LADIES BOWLING CLUB

Wednesday evening 15 members competed in the singles championship at the R.S.L.

Thirteen were successful and won their first round.

The winning rink of Sunday's indoor bowls was Tom Mitchell, skipper, Arthur Turner, Edith Roach and Bob Davey.

Birthday greetings go to Marj Richardson.

Congratulations to Emma and Johnny White on their 17th wedding anniversary.

Get well greeting to Bill Inglis, who has been admitted to Heidelberg Hospital.

ALTONA LADIES HOCKEY CLUB

C GRADE were defeated by St. Leonards 5-1.

Altona's forwards could not break through St. Leonards hard hitting backs and at half-time were down 4-0.

Moving Elaine Bright to the forward line in the second half improved play and both teams scored one goal.

Best: R. Kinniburgh.

Goal: R. Hayes.

PIANO ACCORDION, GUITAR AND BANJO TUITION

INQUIRE: Church of England Hall, Queen St., (Next to P.O.) Saturdays: 9 a.m. — 10.15 a.m.

AUSTRALIA DAY CELEBRATIONS

A display of mounted police was the most popular suggestion for inclusion in the Australia Day celebrations in Altona next year.

The Australia Day Committee conducted a survey of ideas among organisations in the Shire requesting their opinions on what should be incorporated in the celebrations.

As a basis for the days proceedings it is proposed to hold an athletic meeting interspersed with displays by the mounted police, gymnasts and marching girls. Also displays of boomerang throwing and fireworks at night.

A suggestion which seems beset by difficulties is a display of migrant dancing.

It appears to be difficult to contact migrant groups who would be prepared to present this colourful addition to the day. The committee is anxious to hear from these people and suggested they come forward and contact the shire office.

At the next meeting of the committee it is hoped representatives of more organisations will participate.

Flood Relief Request

Altona Shire Council is to make another request for a deputation to be received by the Premier to discuss flood relief.

Councillors have expressed dissatisfaction with the results of previous requests for compensation for residents who suffered damage to their properties as a result of the flash-flood in January.

It now appears a means test is applicable before any compensation, irrespective of damage, will be considered.

Cr. J. J. Ginnifer said it appears the Board of Works was responsible for the flooding. Therefore if a public authority, through bad plan-

Your family and friends trust you when you drive. So do other road users. Honour this trust by always obeying the traffic laws. — Australian Road Safety Council.

ning, allows property to be damaged they should recompense the victims without applying a means test. By applying a means test very few people will get relief.

An earlier request for a deputation by the Shire of Altona and the City of Coburg to the Premier was refused and a "hollow promise" of relief given said Cr. H. W. Lee. He suggested the council ascertain the position in Coburg and further suggested in view of the consequences of the Premier's action, they may wish to join in the proposed deputation.

LABOR VIEWS

(The following article has been contributed to the "Star" by the Central Executive of the Australian Labor Party.)

Unlike all of its opponents, the Australian Labor Party does not pander to any single interest within the community to gain electoral support. It seeks, as an Australia-wide Party, to serve all interests so that development and progress is balanced.

Unless development is balanced, there can be no genuine progress. To speak in terms of a rising standard of living and to ignore the fact that there are still 80,000 unemployed is to be short-sighted. The existence of unemployment anywhere is a threat to employment everywhere.

To strive to increase migration from overseas, and yet to fail in providing the means by which those migrants can prosper is foolhardy and dangerous.

Recently, a Liberal Member for Geelong in bemoaning the high rate of unemployment in that city asserted that to solve it, the city should discourage migrants from going there. What stupidity is it that makes a responsible public representative pose such a foolish alternative.

Instead of getting down to providing work within the area that gentleman wants to put a brake on development. As that member of the Liberal Party was calling for a shut-down on migration to Geelong, his Federal Leader, Sir Robert Menzies, was in London urging more Britons to migrate to Australia.

Sir Robert would be very hard-pressed to explain away the demands of a member of his own Party, if they had received world-wide publicity.

The position with employment and migration is a striking condemnation of the Menzies Government to plan the nation's development. It reflects an outright failure to relate one with the other. They are classic examples of how Liberal politicians view each section of the Australian economy as distinct and water tight compartments.

The failure of the Govern-

ment, whether it be State or Federal, to plan affects everyone from the huge business concern right down to the housewife.

The businessman cannot look ahead for expansion, if the Government refuses to give any indication of a policy other than stop and go. The housewife is unable to cater for the needs of the family, if there is always the fear that tomorrow the breadwinner will join the ranks of the unemployed.

Complacency is the hallmark of all Liberal Governments. They measure development in terms which are unreal. They hide their failures by magnifying successes with which perhaps they have had nothing to do. True new office-blocks are a sign of development. But what sort of development is it, if that office-block remains half empty for the want of tenants.

The Australian Labor Party has long urged the Federal Government to plan ahead. Other Governments do it because they have to. But the Australian Menzies Government prefers to plod a path which has long since become worn out.

A dynamic Government is needed, one which is not afraid to look to the future and point its way for all its people. Unless this is done, complacency may soon well become chaos.

CHARGE DISMISSED

Terrence Eric Butters, slaughter butcher, of Challis Street, Newport, was charged on May 4 that he did leave a car without first locking it and removing the ignition key. He pleaded not guilty.

Constable R. Sievwright said he interviewed Butters at his place of employment at Sims Coopers on May 8. He asked Butters if he left his car outside his home. Butters said he did, but did not lock it or remove the key. He asked him if as a result of leaving his key in the car was it stolen and defendant said that was right.

Butters said in the witness box that he left his car outside his home on Thursday night intending to go out that night but did not do so.

The next morning his car was missing. A week later he was told it was found smashed in a wrecking yard. He was upset at the time the constable questioned him and did not remember what he did with the keys. Later he remembered leaving them in the sun visor as he often did.

He was given the benefit of the doubt and the information dismissed.

ALTONA PRIMARY SCHOOL MOTHERS' CLUB

The past few months have been busy ones for the Mothers' Club. They have spent £40 on additions to the Reading Clinic, £10 on first aid supplies and almost £10 on periodicals for use in classrooms and curriculum planning. Through their efforts, the magazines "Knowledge" and "Child Education" are received by the school.

Two very interesting and enjoyable demonstrations were a feature of the first term programme. Dalson T-Fal cookware was exhibited and Vogue's Cosmetic Adviser gave ideas on make-up and skin care.

HELPFUL HARRY SAYS

★ To rid a couch lawn of weeds, lay roofing felt or kraft building paper over the weed-infested area, weight down and leave in place for 10 to 14 days. Deprived of sunlight, the weeds quickly die, but the couch grass, with its complex root system, will remain alive. Don't worry if the grass browns off a little: it will soon be green again once the covering is removed.

★ Before re-decorating fibrous plaster surfaces, look carefully for any fibres that may be protruding and cut them off cleanly. Don't just pull them out: that will damage the plaster surface.

★ A piece of fresh bread kneaded into a ball offers a safe way to pick up small pieces of broken glass.

THE D.L.P. SAYS...

Following on from recent activity in Britain, there seems little doubt that the "Spies for Peace" organisation will be extended to Australia.

The idea is to get as many people as possible involved in actual or imagined breaches of security, in order to have the effect of making it seem that a section of the public is engaged in the exercise of its democratic rights.

The Western Australia Branch of the Campaign for Nuclear Disarmament, which is a "peace front" organisation, has announced the publication of a pamphlet of the North West Cape Base. The chairman, Mr. K. McNaughton, said that if any secrets about the base came to light, the C.N.D. would publish them in the same way as "Spies for Peace" has published secrets in Britain about the British Government's pre-

parations for nuclear war.

Dr. J. Cairns, Federal Labor Member for Yarra, was advertised as the speaker at a C.N.D. meeting in Perth on July 2.

If a nation is to survive, its laws against treason must be enforced and strict guard kept over its defence secrets.

The word "McCarthyism" was readily used to thwart any attempt to remove security risks from high places in Britain, with the result that the British security service has become a laughing stock after a succession of Nunn-Mays, Fuchs, McLeans and Profumos.

—T. W. LEONARD,
Press Correspondent,
Altona Branch, D.L.P.

CLASSIFIED ADVERTISEMENTS

DEATHS

FRICKEY, Nevin Joseph.—On July 5 (suddenly) at his home, 22 Bent St., Altona. We had no time to say goodbye. Perhaps it was just as well. For I never could have said goodbye. To my Nev, who I loved so well. —Inserted by his loving wife Dee (Pat), and "Dad's boy" Paul.

Nobody knows how we will miss you. Nobody knows how we will grieve. And long to see your smiling face. Oh, son, it's so hard to believe. —Inserted by your loving Mother and Father.

Not just today, but every day, We shall remember you Nev. —Inserted by your loving sister Moreen, John and Kaye.

A beautiful memory is all we have left. Of a wonderful brother we will never forget. —Norma, Norman, Dianne and Peter.

In memory of my dear son-in-law Nevin Joseph. God answered my prayers in you Nev. —Mum Charles.

FRICKEY, Nevin Joseph.—On July 5.—Brother-in-law Kevin, and Dawn, loved Uncle of Karen and Margaret. Loved by all.

STODART, Florence Maud.—81-years-old. On July 2, loved wife of Bill and loving Aunt of James and Stella Thompson, loved Great-Aunt of Don, Ruth, Ted and Margaret Thompson. Forever with the Lord.

IN MEMORIAM

THOMSON, Gordon.—Cherished memories of my dear husband and our father, passed away July 6, 1962. For all the loving deeds you did, For all the happy years, For all the comfort of your presence In days of joy and tears, For all your love upon life's way, We thank you from our hearts today. How much we miss you could never be told, You were the dearest one this world could hold. —Loving wife and family.

£30,000 LOAN 34

Notice is hereby given that at a meeting of Altona Shire Council on June 11, 1963, it was resolved—
"THAT the Council makes a special order to borrow the sum of £30,000 from Australian Mutual Provident Society on the credit of the municipal revenues of the President, Councillors and Ratepayers of the said Shire, by grant of a mortgage under the provisions of the Local Government Act.

1. The maximum rate of interest that may be paid is £5/5/- per annum.
2. The purpose for which the loan is to be applied is construction of private streets, £30,000.
3. The period of the loan shall be 15 years.
4. The moneys borrowed shall be repayable by providing out of the municipal fund 30 half yearly instalments of approximately £1457/6/6, each including principal and interest on the 15th day of January and the 15th day July during the currency of the loan. The first instalments shall be payable on the 15th day of January, 1964.
5. Such moneys shall be repayable at the Australian Mutual Provident Society, 425 Collins Street, Melbourne."

and further that the confirmation of this order be made an Order of the Day for the Council meeting on July 9, 1963.

JAMES W. WATERS,
Shire Secretary.

SHIRE OF ALTONA

Interim Development Order
Shire of Altona Planning Scheme

Altona Shopping Area

By virtue of the powers conferred by the Town and Country Planning Act 1961 and of every power enabling it in that behalf, the President, Councillors and Ratepayers of the Shire of Altona (hereinafter referred to as the Responsible Authority), having commenced the preparation of a planning scheme on the 12th day of December, 1957 in accordance with the Town and Country Planning Acts then in force, hereby makes the following Interim Development Order for the purpose of regulating, restricting, restraining or prohibiting the use of development of any land or the erection, construction or carrying out of any building or works on any land within the area described in the Schedule.

1. After the coming into operation of this Interim Development Order no person shall use, subdivide or develop any land or erect, construct or carry out any building or works on any land within the area included in the Schedule, except in accordance with the provisions of a permit issued by the Responsible Authority.

2. Every application for a permit under the provisions of this Order shall be made on the prescribed form, copies of which may be obtained from the office of the Responsible Authority at Altona.

3. This Interim Development Order shall not prevent (a) the continuance of the use of any land or of any existing buildings or works for the purposes for which such land or buildings or works were being lawfully used immediately before the coming into operation of this Order (b) any dealing or the registration of any dealing with any land in a subdivision of which a plan has been sealed by the Council of the Shire of Altona and lodged with the Registrar of Titles, pursuant to Section 569 of the Local Government Act 1958, before the coming into operation of this Order.

4. Schedule—those portions of the Municipal District of the Shire of Altona (a) within the area bounded by Railway Street South, Bent Street, The Esplanade, Pier Street, Queen Street and Sargood Street and (b) the land facing Pier Street between Railway Street North and Civic Parade described as Lots 64 and 63 of LB 7931, and Lots 238 to 245 inclusive, Lots 152 and 153, and Lots 226 to 235 inclusive of LB 2102.

SHIRE OF ALTONA

LOAN No. 36

Notice of Intention to Borrow the sum of £50,000 for Permanent Works and Undertakings.

NOTICE is hereby given—

(a) That the Council of the Shire of Altona proposes to borrow the sum of fifty thousand pounds, on the credit of the municipal revenues of the President, Councillors and Ratepayers of the said Shire, by the grant of mortgage under the provisions of the Local Government Act.

(b) The maximum rate of interest to be paid is five pounds two shillings and sixpence per centum per annum.

(c) The period of the loan shall be forty years and such moneys shall be repayable at the office of the Commonwealth of Australia, Superannuation Board.

(d) The purpose for which the loan is to be applied is part cost of construction of Swimming Pool, Altona.

(e) The moneys borrowed shall be repayable by providing out of the municipal fund approximately £467/3/2 annually for forty years, to be invested in accordance with the said Act to form a sinking fund, and interest to be paid half yearly during the currency of the loan. The first payment shall be on the 1st day of April, 1964.

The plans and specifications and the estimate of the cost of the proposed work, and a statement showing the proposed expenditure of the moneys to be borrowed, are open for inspection at the Civic Offices, Altona during office hours. Dated this 11th day of July, 1963.

JAMES W. WATERS,
Shire Secretary.

Also available for interview Saturday morning.

Air Pollution Report

(Continued from front Page)

parts of the district on the one day an idea could be gained whether the gas was coming from the sea front or from the industrial establishments inland. This would have the advantage of being relatively inexpensive, provided significant results could be obtained within a short space of time with the use of a hand testing device such as a Drager Tester.

"It was stated that sulphide nuisance was most marked during periods of very still humid weather such as common in Melbourne in May and June of this year. It was stated to be apparent by odour and by the discolouration of paint-work on buildings.

"This would apply to other air contaminations — gases, fumes and finely divided solids.

"As a result of examining a recently painted house which had suffered staining during the period referred to above, we believe that it is likely that much of the discolouration attributed to sulphide was in fact due to a deposit of sooty matter.

"Some of the staining remaining on the house could have been due to sulphide, but the fact that most of it had already been removed simply by swabbing with a damp rag strongly suggests that it was a deposit of fine solids.

"A further point is that practically all paints—both internal and external—are now "lead free" and are not subject to sulphide staining.

"There is no doubt that Altona has a sulphide problem. There is some evidence that Altona has always had this problem, in which case

it is probably of sea front origin.

"There is no doubt also that there has been considerable industrialisation based on the processing of enormous quantities of a raw material with a comparatively high sulphur content some of which, inevitably, manifests itself as hydrogen sulphide.

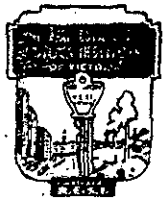

"In conclusion, we would suggest that your council in considering sulphide pollution, does not lose sight of other contaminants to which the area could be exposed. These would include sulphide dioxide which is a corrosive gas, and soot and dust from smoke stacks and from any other black smoke emission."

After considering the report Cr. H. W. Lee said it appears from the report "we have been barking up the wrong tree." He said as far as air pollution is concerned it seems many more things other than council suspected had to be considered.

Cr. Lee said council would have to extend the coverage of their original resolution to cover all aspects of air pollution. In the original resolution hydrogen sulphide was considered the predominant cause of air pollution in the shire.

He stated he would like to give the chartered chemists a free hand to enable them to give their full attention to the pollution problem.

To allow councillors to get a clearer picture of this very important problem he suggested the chemists be invited to attend a meeting of councillors. Councillors agreed more information was necessary and the meeting is to be arranged.
